

BRISA

The warm breeze that blows from the east and imbues the Algarve coast with fruity aromas and the fresh flavors of Ria Formosa was the inspiration of this collection.

The blended white and blue glazes and organic shapes transport us to the intricate landscape of lagoons, canals, salt works, and sandy beaches stretching across deserted islands. This collection adds light to every gathering and turns any table into a memorable experience.

A brisa quente que sopra de leste e que invade a costa algarvia de aromas frutados e os sabores frescos da Ria Formosa inspiraram a criação desta coleção. Os vidrados de tons mesclados brancos e azuis e as suas formas orgânicas transportam-nos para a paisagem intrincada das lagoas, canais, salinas e areais que se estendem por ilhas desertas, santuários idílicos de flora e fauna selvagem num lugar único no mundo. Uma coleção que respira leveza e que transforma qualquer mesa num acontecimento especial.

 Moncarapacho, ALGARVE
The stunning Vila Monte Farm House was the location for BRISA collection photo-shoot. The surrounding landscape of orchards and gardens, as well as the white walls of the houses, made the table setting, in either blue or white, even more inviting. The simplicity of the Vila Monte Farm House fits perfectly into our BRISA collection, and the table setting seek to bring the same timeless beauty into every home.
