HOTEL & RESTAURANT SERVICE

VORWORT | FOREWORD

PREFAZIONE

Innovationskraft verbunden mit Schönheit und Eleganz – Rosenthal präsentiert erstmals mit der neuen Serie MALÌA die Liaison aus kontemporärem Relief und völlig neuem Design auf Porzellan. Durch die Gestaltung diamantartiger Facetten gelingt ein einzigartiges Lichtspiel, das an das unnachahmliche Feuer eines funkelnden Brillanten erinnert. Somit ein wahrhaftig edler Rahmen für die Kreationen der Haute Cuisine, ohne jedoch die Alltagstauglichkeit und Ansprüche der professionellen Restauration zu vernachlässigen. Eben echt Rosenthal.

Dieser Katalog stellt die umfangreichste Unterlage dar, die Rosenthal jemals für den Hotel & Restaurant Service veröffentlicht hat. Die Anforderungen der heutigen Hotellerie und Gastronomie sind so vielfältig wie die Kulturen und Küchen dieser Welt in ihrer

mondialen Omnipräsenz. Das umfassende Produkt-Portfolio des Rosenthal Hotel & Restaurant Service genügt nicht nur dieser Herausforderung, es inspiriert die kreativen Chefs jedweden Küchenstils und bildet die Grundlage für die Darstellung einer glaubwürdigen Wertschätzung der Gastlichkeit in Hotels und Restaurants.

Innovative prowess combined with beauty and elegance – with its new MALÌA collection, Rosenthal for the first time presents its marriage of contemporary relief art and never-before-seen designs on porcelain. The diamond-like facets create a unique play of light, recalling the inimitable lustre of a sparkling brilliant. This makes for a truly elegant backdrop for haute cuisine creations, but without compromising everyday practicality or the demands of professional restaurateering. That's Rosenthal.

This catalogue is the most comprehensive that Rosenthal has ever published for the hotel and restaurant service industry. The demands of today's hotel and catering industry are as diverse as the world's cultures and cuisines so omnipresent in this day and age. Rosenthal Hotel & Restaurant Service's extensive product portfolio not only satisfies these demands, but also provides inspiration for creative chefs specialising in any style of cuisine and forms the basis for an authentic display of hospitality in hotels and restaurants.

La forza dell'innovazione unita alla bellezza ed eleganza – Rosenthal presenta per la prima volta con la nuova serie MALÌA un connubio fra rilievo contemporaneo e un design completamente nuovo su porcellana. Con forme sfaccettate come un diamante si crea un gioco di luce unico, che ricorda

l'inimitabile scintillio sfavillante di un brillante. Si crea così una cornice davvero preziosa per le creazioni di haut cuisine, senza tuttavia trascurare la praticità e le esigenze della ristorazione professionale. Tipicamente Rosenthal.

Questo catalogo è la pubblicazione più ampia mai presentata da Rosenthal per la gamma Hotel & Restaurant Service. Le esigenze del settore alberghiero e della ristorazione di oggi sono molteplici e sfaccettate come le culture e le cucine di questo mondo nella loro onnipresenza internazionale. L'ampio portafoglio di prodotti di Rosenthal Hotel & Restaurant Service non solo risponde a queste esigenze, ma è anche fonte di ispirazione per la creatività degli chef, qualsiasi sia il loro stile, e crea il presupposto per presentare con credibilità il valore dell'ospitalità in hotel e ristoranti.

FREE SPIRIT

Ihren Ursprung hat die Kollektion »Free Spirit« in der Spirit-Schale mit ihren charakteristischen zwei Flügeln, die bereits weltweit die Phantasie vieler Chefköche zu neuartigen und ungewöhnlichen Inszenierungen inspiriert. Die Dynamik, die in der wellenartigen Kontur liegt, ist in der gesamten »Free Spirit« Kollektion eingefangen worden, kontrolliert, straff, ohne dabei das Feuer und die Energie der ursprünglichen Schale zu verlieren.

The »Free Spirit« collection derives from the spirit bowl with its characteristic wings. This bowl has sparked chef's imagination to new and extraordinary presentations. The dynamics of the shape are kept in all products of this collection without losing the spirit of the original bowl.

»Free Spirit« trae origine dalla coppa Spirit, dalle caratteristiche ali che hanno già fatto volare con la fantasia gli chef di tutto il mondo verso composizioni nuove e originali. La sua linea dinamica e sinuosa ha ispirato un'intera collezione. Razionale ed essenziale, »Free Spirit« declina la vivacità e l'energia del modello originario in ogni suo singolo complemento.

NIDO

Back to the basics: »Nido«. Ganz im Trend der Zeit brilliert das Programm mit purem Design. Ästhetik und Funktion, Vielfalt und Kombinierbarkeit – diese Ansprüche an ein modernes Gastro-Konzept haben eine neue Form gefunden. Ästhetisches und funktionales Highlight: die Untertasse mit seitlich versetztem Spiegel bietet zusätzlich Platz für Kulinarisches. Z. B. ein Croissant, Petit fours – oder ein Glas Wasser zum Kaffee.

Back to basics – »Nido«. The new program range is brilliant in design and fully in tune with the times. Aesthetics and functionality, diversity and combinability – challenges faced by modern catering have found a new shape. Aesthetic and functional highlights: the saucer with off-center face provides additional space for culinary delights, such as a croissant, petits four – or a glass of water to accompany a cup of coffee.

»Nido«: la semplicità in perfetta armonia con i tempi. Estetica e funzionalità, versatilità e complementarietà fanno di »Nido« un particolare esempio di equilibrio in tavola. Tra i numerosi complementi della linea, un piattino sotto-tazza offre un particolare spazio laterale dedicato ad accogliere vari abbinamenti come croissant e piccoli dolcetti.

TAC

Puristisches, auf einfachen geometrischen Formen beruhendes Design verleiht »TAC« zeitlose Poesie. Grafische Dekore auf feinstem, leicht transparentem Porzellan betonen die herausragenden Designmerkmale dieser Ikone des Bauhaus.

Purist design, based on simple geometric shapes, lends »TAC« a timeless poetry. Graphical ornamentation on finest, slightly translucent porcelain emphasise the outstanding design features of this icon of Bauhaus design.

Il design puro e rassicurante di »TAC« rispecchia l'autenticità formale tipica del movimento Bauhaus. Un classico moderno in cui le geometrie delle sue linee, unitamente alla grafica dei decori e alla trasparenza e la sottigliezza della porcellana, conferiscono a »TAC« una poesia senza tempo.

Dekor »Metal«, angelehnt an Schmuck aus der Bronzezeit, hat bewusst einen naturalistischen, unregelmäßigen Charakter.

Decor »Metal«, borrowing from jewellery of the Bronze Age is quite intentionally has a naturalistic and random character.

Il decoro »Metal«, ispirato ai gioielli dell'età del bronzo, ha volutamente un aspetto vissuto, naturale e non uniforme.

CUSTOMIZED BY ROSENTHAL

Ob zurückhaltend elegant oder ausdrucksstark und repräsentativ: Dekore verleihen Porzellan Flair, einen eigenen individuellen Charakter. Gerade in Zeiten zunehmender Standardisierung und Uniformierung fällt eine eigene persönliche Note wohltuend ins Auge. Individualisierung durch eigene Sujets, Logos oder umfassende Dekorentwürfe unterstreicht die Strahlkraft der eigenen Marke. Und vermittelt den Gästen ein hohes Maß an Wertschätzung.

1879 als Porzellanmalerei gegründet bietet Rosenthal über 130 Jahre Erfahrung in der Dekoration von Porzellan. Dabei sind die Anforderungen an Farben und Edelmetalle äußerst hoch: Der so genannte Dekorbrand findet bei über 1.200 Grad Celsius statt, um

die Glasur zu erweichen und den Dekor dauerhaft haltbar in diese einsinken zu lassen.

Neben einer umfangreichen Auswahl an Farb- und Edelmetalldekoren bietet Rosenthal weitere, außergewöhnliche Möglichkeiten: Mittels Mattdruck und Sandstrahlen erzielt man einen sanften Biskuit-Effekt, die Technik der Titanisierung bewirkt eine edle Metalloptik mit höchstem Gebrauchsnutzen. Dafür steht ein Team aus erfahrenen internen und externen Designern zur Verfügung.

Whether your style is reserved elegance or expressive and representing: Decoration gives flair to porcelain as well as its own individual character. Especially in times of increasing

standardisation and uniform design, a personal touch pleasantly catches your eye. Individual style, logos or complete patterns underlines the significance of your own brand. It communicates to your customer a token of your esteem.

Established in 1879 as a porcelain painting company, Rosenthal now offers over 130 years of experience in porcelain decoration. The requirements of colours and noble metal are extreme: during the decorating firing at over 1.200° C the glaze starts to melt and the decoration sinks into it to get durable.

Aside from the substantial assortment of color and noble metal decors, Rosenthal offers other impressive possibilities. With a special matte print or sand blasting you will get a soft biscuit

effect. The exclusive technique of titanising makes a noble metal optic at highest usability. For creating an individual decoration an experienced team of designers is available.

Riservato ed elegante o fortemente espressivo e rappresentativo: I decori proposti da Rosenthal conferiscono a ogni singolo complemento in porcellana un carattere individuale, una nota distintiva che è in grado di catturare il gusto e l'attenzione di cui si è alla ricerca. Attraverso un servizio di personalizzazione dei decori, dell'inserimento di loghi o ancora di elementi iconografici del tutto personali, è possibile enfatizzare la propria l'immagine. Una comunicazione volta alla bellezza e a trasmettere ai propri clienti un elevato grado di stima.

Iniziando nel 1879 nella sola decorazione della porcellana, Rosenthal offre oggi oltre 130 anni di tecnica e sperimentazione decorativa. L'esperienza e l'altissima capacità produttiva della maison hanno dato vita a innovative finiture della porcellana color metallo. Oro, rame, titanio e ancora platino sono le preziose nuance vaporizzate sulla porcellana attraverso una sofisticata tecnica di fusione, a più di 1200 gradi Celsius, che permette al decoro di penetrare nello smalto e di mantenersi inalterato nel tempo.

Un team di esperti e designer di cui si avvale l'azienda al proprio interno è in grado di realizzare molteplici possibilità: decori sull'intera superficie o solo sull'ala di piatti e complementi tavola, su forme di ogni tipo, con l'utilizzo di un solo colore o con la composizione di oltre 25 nuance e di metalli preziosi.

Oberfläche wird zum Dekor. Matte edle Biskuit-Optik in Verbindung mit glänzenden Elementen ist eine völlig neuartige Variante der individuellen Dekoration. Die samtige Oberfläche des Porzellans bietet Raum für außergewöhnliche haptische Erfahrungen und bedient zudem den Trend zum Understatement. Weniger ist mehr.

Surface becomes decoration. Matte precious biscuit in combination with glossy elements are a totally new variance in individual decoration. The velvet touch of the surface gives room for an extraordinary tactile experiences and is in line with the trend to understatement. Less is more.

La superficie diventa decoro, un inedito effetto satinato porta la porcellana ad essere vellutata e a dare spazio a straordinarie esperienze tattili. Questa tecnica, unitamente al candore della porcellana smaltata, può dare vita a nuovi giochi di luce e di chiaroscuri.
