# Welcome

Steelite International is a world-leading manufacturer of award-winning inspirational tabletop for the international hospitality industry, with a manufacturing history at its current site in Stoke-on-Trent going back more than 100 years. As one of the most modern and efficient tableware production units in the world, our investment in technology and innovation guarantees a quality product.

Our Made for Life – Made in England campaign is an initiative launched to promote the benefits of buying British manufactured tableware, and to underpin the **four elements** of our mission statement.

This is our commitment to you. We make our products and serve our customers with this in mind – everything we deliver is for life.

To support the campaign Steelite International has launched a lifetime edge-chip warranty on all items within Distinction and Performance ranges, demonstrating the commitment we have in the strength and quality of product manufactured from our Stoke-on-Trent factory.

We also launched our Customer Service Charter – 19 new commitments which sit under the following:

- We are committed to making Steelite International easy to do business with
- We are committed to helping you make the right choice for your needs
- We are committed to helping you when you need us
- We are not only committed to listening but are committed to learning
- We are committed to providing you with outstanding service
- We are committed to understanding your business

Kevin Oakes, Steelite International CEO, launches the Made for Life campaign.

# EDGE CHIP WARRANTY

YOUR CONFIDENCE ASSURED

---

The Steelite International Lifetime Edge-Chip Warranty is your assurance that all Performance and Distinction products manufactured in our UK factory are fit for purpose.

## Why Steelite International?

- Steelite International has ISO 9001 and ISO14001 Certifications
  - We only use the finest ingredients to create a unique formula
    - Our product is 100% Made In England
    - Every product passes up to 53 different quality checks
- We combine a highly skilled workforce with modern technology

## Why Performance & Distinction?

- All products are made with high alumina content to ensure ultimate strength
  - ISO registered suppliers ensure consistent material and product quality
  - New low-temperature glaze provides excellent product finish
  - Engineered design ensures maximum performance

Each piece is inspected, examined and tested so you can be confident it will withstand the rigours of the modern commercial kitchen and remain chip free.

Every time you serve a customer with a Performance or Distinction cup or mug relax in the confidence that the handle has gone through 7 different quality checks to ensure it stays where it belongs – on the cup!

Stackable shapes resulting in space saving solutions! Plus fully glazed base minimises contact – preventing damage and wear.

Our products offer complete versatility. However you work, be confident our products work with you.

Performance and Distinction products withstand temperature fluctuations of up to 350°F! Work with our products and work with confidence.

Piping hot main course, ice-chilled desserts – serve your food as it is meant to be served.

All products have great stain resistance which means you can work comfortably with any foodstuff time and time again... without leaving a trace.

Exclusive new low-temperature glaze is great for your presentation and great for the environment.

Our products withstand the dishwasher better than most and they still go back for more again, and again, and again...

# Steelite International Products

Steelite International offer a fantastic breadth of product to satisfy the tabletop requirements of the hospitality industry. The Distinction and Performance ranges manufactured in Stoke-on-Trent from our Alumina Vitrified clay body offer our customers the opportunity to purchase sleek and elegant pieces with the security of durability and lasting product excellence. The Alumina Vitrified ranges are accompanied by our impressive Rene Ozorio and Montgatina Porcelain ranges. These ranges are distributed exclusively across the UK by Steelite International and are an integral part of the tabletop offer. These porcelain pieces provide a dynamic ingredient to the tabletop with stunning designs and the distinctive whiteness that exemplifies fine porcelain.

As a complete tabletop solution provider, Steelite International offer cutlery and glassware which greatly enhance and complement the tableware. Steelite International only work with partners whose product offers the same excellent quality and inspirational design as the Steelite core ranges. To reflect this Steelite International have chosen to work with HEPP and Elia cutlery and Spieglaug glassware to offer our customers a tabletop solution which delivers excellence, inspiration and durability.

## Alumina Vitrified

33

Manufactured to exacting standards in our factory in Stoke-on-Trent, our Alumina Vitrified ranges provide style and elegance in product with excellent performance, functionality and durability.

### Distinction

The Distinction ranges bring elegance and excitement to the tabletop, whilst maintaining superb, lasting durability.

### Performance

Ranges within Performance combine presentation with practicality. They comprise smart, functional and affordable pieces that are specifically designed to withstand everyday, intensive use within a commercial environment.

Both Distinction and Performance ranges are Made for Life and are covered by our unique Lifetime Edge-Chip Warranty, so your confidence is assured.

## TRAVEL

Coping with ever-changing demands of service is a challenge facing most operators within the travel sector. Busy one moment, quiet the next, means the tableware must be able to cope with repeated washing cycles and constant handling, something our products are designed to withstand. The Simplicity range offers an extremely versatile foundation solution and when innovated with great pieces such as the Soup/Sandwich combi-tray produces a presentation solution perfectly suited to challenging and demanding operations.

Miravell is an ideal cutlery range for this environment and the Classic Bar offers glassware shaped to cover most drink options.

## PUBLIC SECTOR CATERING

Stylish presentation combined with practicality is key to a successful public sector operation. The Simplicity range makes a fantastic foundation selection and provides smart, functional and affordable pieces that are designed to withstand the trials of daily use. When combined with innovation selections such as the Nouveau bowl or the Taste Squares & Rectangles the result is a functional tabletop solution combined with inspired design. Alternatively the Monaco Vogue range is suited to a more premium offer where elegance is a requirement of the presentation.

The Profile cutlery range is a popular shape which works well in many environments and the benefit of glassware such as Soiree is its combination of style and durability.

## ALUMINA VITRIFIED

The Distinction and Performance ranges manufactured in Stoke-on-Trent from our Alumina Vitriified clay body offer our customers the opportunity to purchase sleek and elegant pieces with the security of durability and lasting product excellence.

# Ivory & Naturals

Ivory offers warmth to any food presentation. Combining the creaminess of the body colour with classic shapes – Ivory creates a welcoming tabletop. The option of a Claret decoration provides an attractive contrast.

Naturals creates a warm tabletop with the rich, earthy colours of Peppercorn, Paprika, Fennel and Honey. Designed to reflect the qualities of wholesome, organic produce, the products and patterns can be mixed and matched to great effect.

# Custom Decoration

Custom design and decoration can help you achieve maximum impact and guest appreciation from your tableware. Available across all ranges within our Distinction and Performance collections, in a choice of ceramic colours, our expertise allows you to express the essential character of your brand.

As part of our commitment to Inspirational Design, the Steelite International studio offers a comprehensive and totally bespoke design solution. Taking in every detail of your environment, our world-class design team will work with you to create a truly unique selection of tableware – whatever your inspiration. And to deliver Outstanding Customer Service, we will provide under glaze custom decoration items within a 6 week turnaround.

Simply supply us with a logo, motif or illustration and we will re-create it on your tableware of choice. With your design protected beneath a hard, durable glaze, your personalised tableware will impress your customers for years to come.

# RENE OZORIO

The Rene Ozorio collection of porcelain tableware is uniquely designed to bring a sensational added dimension to the dining experience. Created to draw on ethnicity, the range is intended to help deliver a complete sensory occasion. The pieces offer varying heights and well sizes, the intention being a simple yet exciting solution to food presentation without distraction and in essence, framing the food being served.

# Aura

Aura was created to meet the demands of modern food presentation. The range is built around three flatware shapes –

## Aura Modern

The wide angled rims and small wells focus on smaller portions.

## Aura Flat Rim

An elegant shape combining a shallow bowl with flat rim to create a delicate and contemporary feel.

## Aura Medium Rim

A perfect banqueting range delivering style and functionality.

# chic textured forms

"We've always been happy with the quality and service provided by Steelite International. With a fast-moving industry, Steelite International have been able to help us meet the needs of our customers with an outstanding choice of crockery which complements our food provision."

# Aura Squares

Divided into three categories: trays, plates and bowls with varying proportions, this collection creates a new tablescape. The pieces lend themselves to composition, layering and contrasting of forms and the smaller foot on the pieces adds a more delicate touch to the conventional straight sided walls. A simple concept with multiple combinations to challenge how we see and eat, this range is perfect for modern Asian and Western cuisine.

# Aura Sushi

Smaller portions draw attention to the size and shape of the pieces. This is indicative of what is called 'Young Cuisine' – smaller portions presented together to build a series of taste experiences – sometimes complementary, sometimes contrasting.
