BREAKFAST & BRUNCH

“Everyone is getting involved in the most important meal of the day!”

Buffet Presentation that is stylish, modular, versatile and eye-catching and uses a creative solution of shapes and heights. A mixture of wood, melamine and ceramics creates a unique display.

NEW DELI

“A visual feast for the eyes, deli displays of fresh produce combining colour, height and texture to tempt and entice!”

The visual displays that entices the customer to buy are big news for 2013! We have seen the deli trend take off as the mix of fresh ingredients and exceptional presentation encourages the customer to buy and try!

GOURMET CUISINE

“Gourmet dining is a strong trend for 2013 that encompasses premium quality foods presented in a way which is eye catching and appealing.”

Spectacular displays are created utilising top quality ingredients with strong colours and details presented on white shaped bowls and plates. All designed to enhance the dining experience where style and presentation really matter.

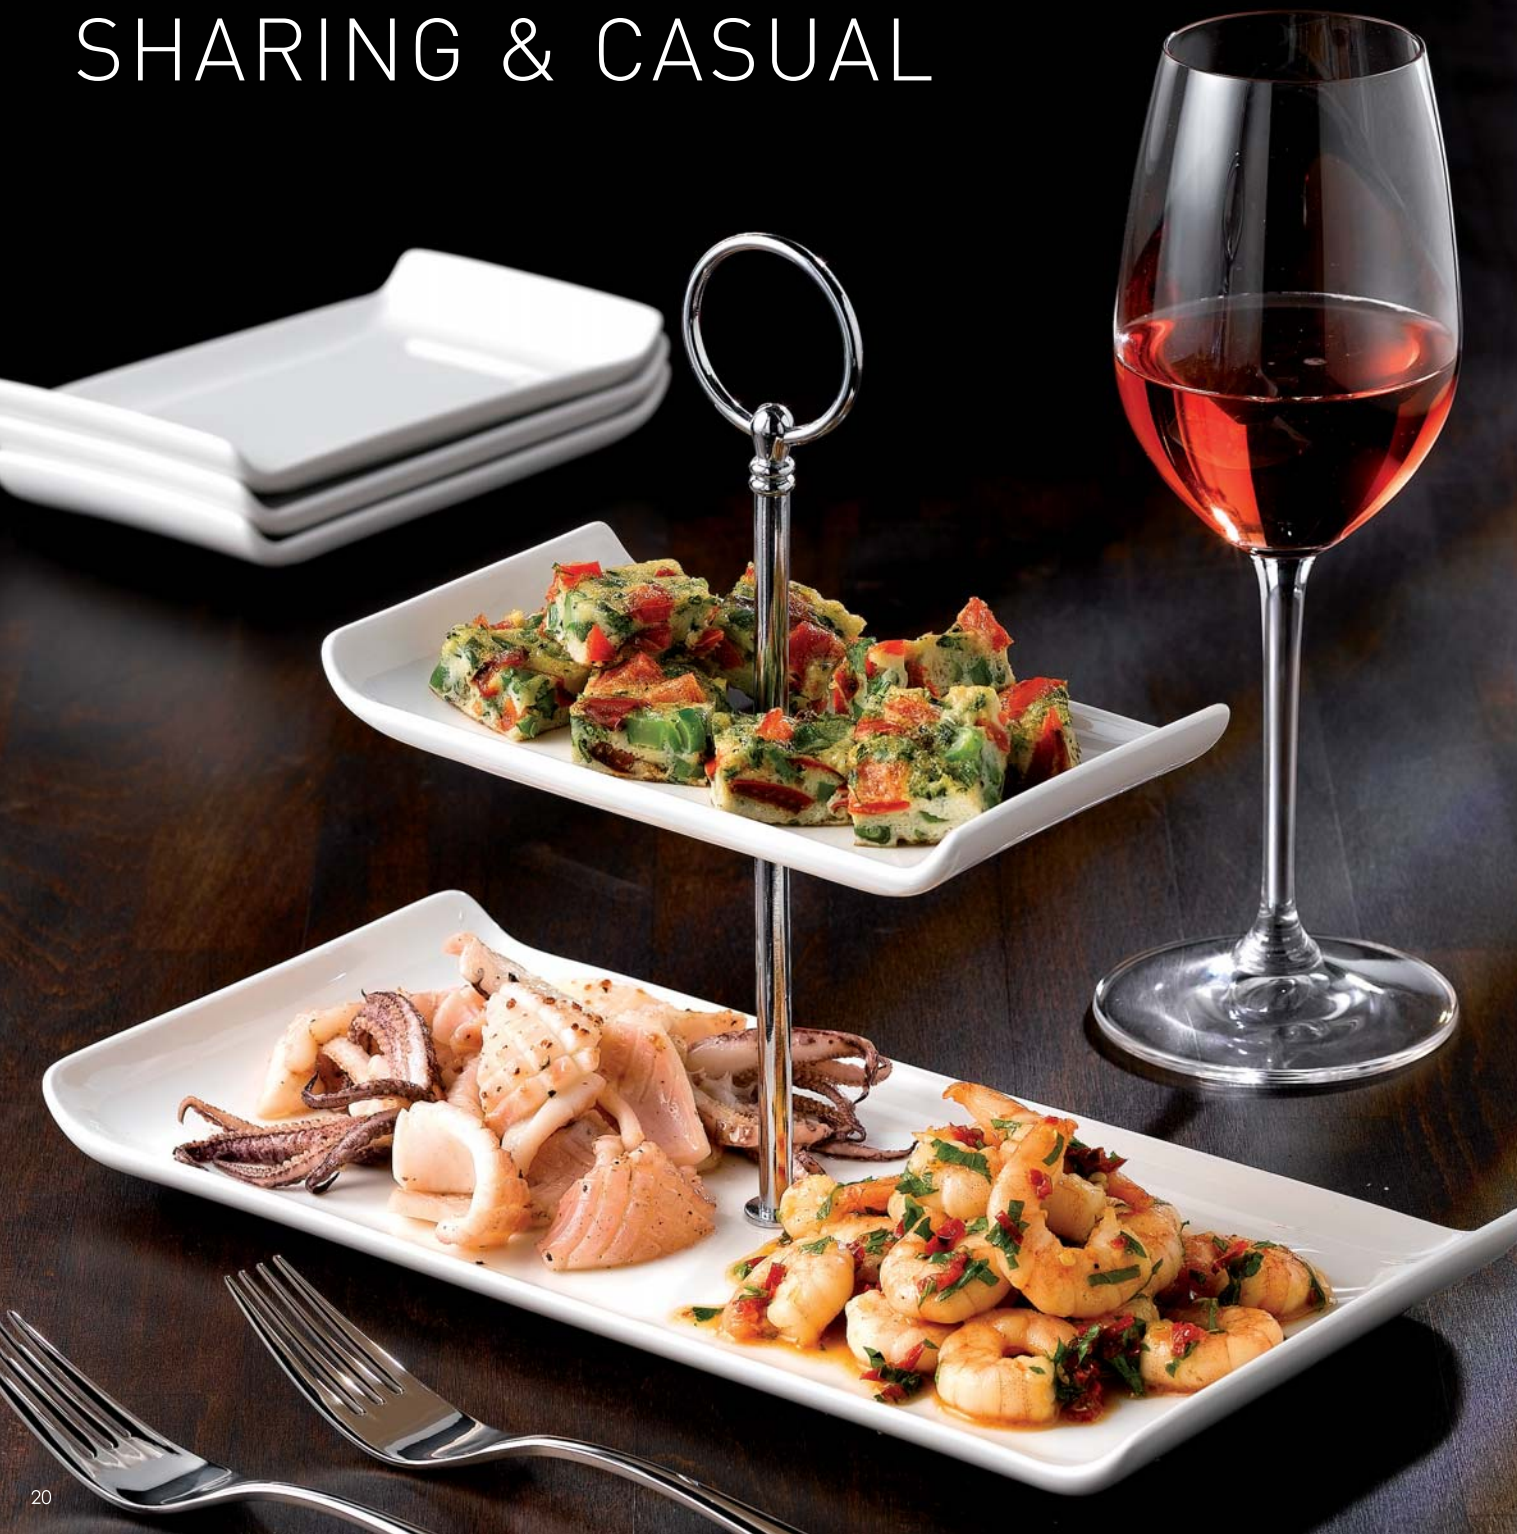

HEALTHY OPTIONS

“Freshly cooked, raw salads, lighter Asian wok foods, broth and soup, fruit & salad bars - vegging out is growing in popularity.”

This trend goes back to basics with food flavours, locally grown produce and 'feel good' foods which encourage us to eat well. Whether it is salads, soups, pasta dishes, Churchill have a collection to enhance your menu.

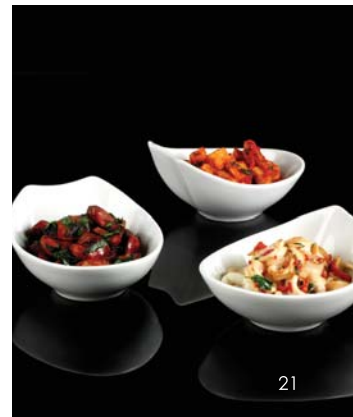

SHARING & CASUAL

“Indulge your taste buds and stimulate conversation at the dinner table with tasty sharing platters.”

Sociable eating habits are growing in popularity and this is one of the key trends for 2013. Taking inspiration from traditional cuisines such as Spanish tapas, Italian antipasti and Japanese sushi, sharing platters offer a more relaxed approach to dining.

REAL SPANISH

“Small plates and big flavours, that is the key to Spanish cuisine!”

There are many Spanish style eateries opening up in London. The concept of eating in a more open environment, informally with friends is becoming increasingly popular. Spanish food is eaten at all times of the day, sharing and grazing is key to the Spanish culture and this is being adopted as a concept.

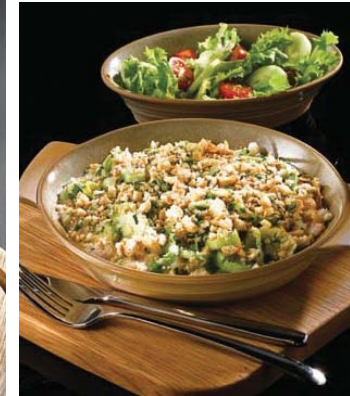

RUSTIC ITALIAN

“Embracing authenticity, quality fresh ingredients and experiences! Italian food is loved by all who try it!”

The British love affair with Italian food continues to grow in 2013. Artisan Italian foods are popping up everywhere, offering pizzas, breads, pastas and salads using authentic regional Italian ingredients served in a rustic and casual way.

STEAK & GRILL

“Off the back of Britain’s love affair with simple robust dishes, steak houses and barbecue restaurants sizzle with popularity!”

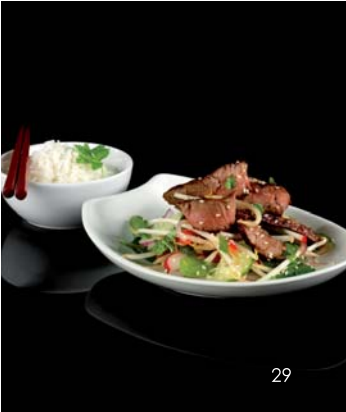

Steak, a traditional symbol of indulgence and success, is back in a big way in 2013. Whether it is slow cooked, barbecued, aged, dried or blue, Churchill offer presentation dishes that make a statement.

PAN ASIAN

“Freshly cooked and prepared and quick to the table!
Pan - Asian is the healthy yet tasty option!”

Pan - Asian covers a broad cross section of countries from Chinese, Japanese, Korean, Indonesian and Vietnamese. Japanese is coming to the fore in 2013 with the popularity of sushi and sashimi, a popular choice now for lunches and evening meals.
