MADE IN BELGIUM®

DUROBOR IN FEW WORDS

INNOVATION, DESIGN AND EXPERTISE

Durobor® was established in 1928, as the first company to introduce the automated process of manufacturing drinking glasses in Europe. Today, Durobor® continues in the same spirit of innovation, with its philosophy of “market pioneer”, and stands out as a designer, producer & concept leader not just as a manufacturer.

The well-known innovative design of Durobor® glasses is adapted to their use and to meet the requirements of the professional sector: an ultimate combination of attractiveness and functionality.

TREND SETTER

Recognised around the world for its specific glasses dedicated to the world of drink, Durobor® has come up with a truly revolutionary concept: the stunning glass receptacles that can be used for food. Ultra chic glasses & verrines which combine the joys of design and art de la table.

HEAVY BASE & BUBBLE

The Bubble in the heavy base: a distinctive symbol of the brand.

DECORATION EXPERTISE

Durobor® is one of the main suppliers of glasses to the beverage industry: design, production & decoration expertise.

MADE IN BELGIUM

Each glass produced by Durobor® is made in our Soignies plant, Belgium.

DUROBOR QUALITY

Durobor® glasses are renowned for their quality and robustness. Professionals are our best ambassadors.

WHY DUROBOR ?

LONG LASTING & MORE RESISTANT PRODUCTS

Breakage rate lower than similar glasses.
Due to their special composition, Durobor® glasses are 20% more resistant than most of the glasses on the market.
Durobor® glasses allows professionals to extend the lifetime of their glassware.

SUPERIOR RESISTANCE

Durobor® produces durable glasses with increased resistance for an intensive professional use: mechanical shocks resistant.

If you evaluate the minimum assortment of glassware required for a rush service in a bar based on a capacity of 50 guests, you need:

| | | | |
|--------------------------------------|------------|---------------------------|---|
| Long drink glasses | > 200 pces | Cognac glasses | > 50 pces |
| Water glasses | > 70 pces | Whisky glasses (2 models) | > 100 pces |
| Hi-ball glasses | > 70 pces | Beer glasses | > 150 pces |
| Old fashion glasses (2 sizes) | > 140 pces | Special beer glasses | > 50 pces |
| Champagne glasses | > 50 pces | Shooter glasses | > 50 pces |
| Wine glasses (2 sizes) | > 100 pces | Appetizer glasses | > 150 pces |
| Cocktails glasses | > 70 pces | | (* Depending of your activity, we can suggest you an adapted selection) |
| Special cocktails glasses (2 models) | > 100 pces | | |

Based on an usual average breakage rate, Durobor® glasses allow you to save +/- 200 glasses/year in previous selection. □

UNIQUE & SPECIFIC DESIGN

Adapted to the professional sector:
While looks are always important,
no line is without a practical advantage

STRONGER RIM

The specific burn off system of
Durobor® gives all the resistance to
the part of the glass where most abuse
occurs : the rim.
The bead obtained by the cutting
process of Durobor® reduces
substantially the risk
of breakage at the edge.

DISHWASHER SAFE

including industrial one

Glasses, not just a fad but a real style statement and one which lets you share your meal in the best possible way. With the continued success of glasses as a means of preparing and presenting food, Durobor, the glass pioneer, has decided to expand its current “eating glasses” range to provide four collections, all available in sizes: **SMALL**, **MEDIUM**, **XL** and **XXL**.

Durobor offers a large range of contemporary, elegant and sturdy glasses in various sizes. From amuse bouche to dessert, Durobor glasses are the ideal solution for meals served with style.

... a true visual and sensory delight, providing you with a gastronomic experience which is enjoyable and caters for your every desire.
